

BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater - 10.36x77 - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 1 1/4"

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL BenchRestSeater Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for Rifle Calibers. This product is designed to provide the highest precision in seating match bullets. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions for use to prevent accidents and injuries.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the cartridge case is properly aligned with the guide sleeve before seating the bullet.
- Do not exceed the recommended thread specifications (1 1/4").
- Always wear appropriate eye protection when using the seater.
- Do not attempt to modify or repair the seater head; use only the recommended replacement parts.
- Handle all components with care to avoid injury from sharp edges or moving parts.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the TRIEBEL BenchRestSeater from the packaging. Inspect all parts for any damage.
2. **Installation:**
 - Secure the seater in a stable work area.
 - Attach the seater to your reloading press according to the manufacturer's instructions.
3. **Using the Seater:**
 - Place the cartridge case into the guide sleeve.
 - Insert the bullet into the cartridge case.
 - Gently lower the seater head to seat the bullet, ensuring proper alignment.
 - Check for concentricity after seating; adjust as necessary.
4. **PostUse:**
 - Clean the seater and surrounding area after use.
 - Store the seater in a dry and safe location.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRestSeater, please refer to the manual or contact your retailer for assistance.

By following these safety instructions, you ensure a safer and more effective experience with your TRIEBEL BenchRestSeater. Thank you for your attention to these important guidelines.
