

FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die - 9.5x77 - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.

Specs:

- Thread: 1 1/4"
- Expander (diameter): 9.50mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL Full Length Dies for Rifle Calibers Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Full Length Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the die to understand potential hazards and safety measures.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading equipment.
- Ensure that your work area is clean, welllit, and free from distractions to minimize the risk of accidents.
- Keep the die and all reloading components out of reach of children and unauthorized individuals.
- Regularly inspect the die for wear and damage. Do not use if any components are broken or malfunctioning.
- Follow all manufacturer instructions and guidelines for the use and maintenance of the die.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential hazards include the risk of injury from improper handling or operation of the die.
- Risk of damage to the die or cartridge cases if not used correctly.

- **Avoiding Hazards:**

- Ensure the die is securely mounted in the reloading press before use.
- Do not exceed the recommended cartridge specifications when using the die.
- Always keep hands and other body parts clear of moving parts during operation.
- Use the die only for its intended purpose, which is to size cartridge cases.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep out of reach of children.
- Ensure that individuals using this product have received proper training and understand the risks involved.

Instructions for Installation and Usage

1. Installation:

- Secure the die in the reloading press using the provided lock nut. Ensure it is tightened properly to prevent movement during operation.
- Adjust the die to the desired height to achieve the correct sizing of the cartridge case.

2. Usage:

- Insert a cartridge case into the die. Ensure it is seated properly.
- Pull the press handle to push the cartridge case into the die, allowing it to size fully.

- After sizing, remove the cartridge case from the die and inspect for proper neck tension and overall integrity.
- If necessary, replace the expander and ejector pin with minimal effort, following the manufacturer's guidelines.

3. PostUsage Care:

- Clean the die after each use to remove any debris or residue.
- Store the die in a safe, dry place when not in use to prevent damage.

Disposal Instructions

- Dispose of the TRIEBEL Full Length Die and any associated components in accordance with local regulations for metal recycling.
- Do not dispose of the die in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For further support or inquiries regarding the TRIEBEL Full Length Die, please refer to the manufacturer's contact information provided in the product packaging or manual. Ensure you have the product details ready for any assistance needed.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your TRIEBEL Full Length Die. Thank you for your attention to safety, and happy reloading!
