

# **BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater - 9.5x77 - 1 1/4"**

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

NO IMAGE  
AVAILABLE

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## **Specs:**

- Thread: 1 1/4"

All relevant components have an article number for easy reordering if necessary.

# Safety Instruction Guide for TRIEBEL BenchRestSeaters for Rifle Calibers

## Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your rifle caliber needs. This product is designed to provide the highest precision in seating match bullets. It is essential to follow safety guidelines and instructions to ensure safe and effective use.

## General Safety Guidelines

- Product Safety: This product has been designed to meet safety standards for nonfood items. Ensure that you use it according to the instructions provided.
- Enhanced Recalls: In case of any safety concerns, be aware that standardized recall notices will be issued, and remedies will be provided for any dangerous products.
- Online Shopping: If purchased online, your product is covered by the same safety protections as those bought in physical stores.
- Special Consumer Focus: Extra safeguards are in place for vulnerable groups. Keep this product out of reach of children.
- EU Contact Point: For safety inquiries, you can reach out to the designated EU contact point provided by the manufacturer.
- Rapid Alerts: Stay informed about any updates on unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- Always read the manual before using the TRIEBEL BenchRestSeater.
- Ensure that the seater is compatible with the bullet caliber you are using (9.5x77mm).
- Use the product in a wellventilated area to avoid inhaling any dust or debris generated during the seating operation.
- Wear appropriate safety gear, such as safety glasses and gloves, to protect yourself from any potential hazards.
- Inspect the product for any damage before use. Do not use the product if it is damaged or if any parts are missing.
- Keep your workspace clean and organized to prevent accidents.
- Do not exceed the recommended specifications for the product.
- Store the product in a safe place when not in use, away from children and pets.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have all components required for installation.
- Attach the seaterhead to the main unit securely, following the instructions in the manual.
- Check that the thread (1 1/4") fits properly with your reloading press.

### 2. Usage:

- Prepare your cartridge case and bullet.
- Insert the cartridge case into the guide sleeve of the seater.
- Place the bullet into the seaterhead.
- Apply even pressure to seat the bullet into the cartridge case.
- Check for concentricity and proper seating depth after the operation.
- If necessary, replace the seaterhead based on the bullet type you are using for improved

concentricity.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with your local waste management facility for proper disposal methods for metallic and plastic components.

## Contact Information for Further Support

For further assistance, please refer to the manual provided with the product. Additional information and support can be accessed through the manufacturer's website or customer service.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL BenchRestSeater. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
