

# BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Neck Sizer - 375 SWISS P - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

## Specs:

- Thread: 1 1/4"
- Neck Bushing: 10.25mm
- Expander (diameter): 9.5mm

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# Safety Instruction Guide for TRIEBEL BenchRest Neck Dies for Rifle Calibers

## Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the die.

## General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading ammunition before using this product.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Keep the work area clean and organized to prevent accidents.
- Store the die and all reloading components in a secure location out of reach of children and unauthorized individuals.
- Regularly inspect the die for wear and tear. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition reloading and storage.

## Specific Safety Precautions for Use

- Only use the TRIEBEL BenchRest Neck Die with compatible cartridge cases as specified in the product details.
- Ensure that the die is correctly installed and securely fastened before use.
- Avoid overtightening the die, as this may cause damage to the equipment or affect performance.
- Do not exceed the recommended specifications for cartridge dimensions and reloading practices.
- Be cautious of potential hazards such as sharp edges and moving parts during operation.
- Do not attempt to modify or alter the die in any way, as this may compromise safety and effectiveness.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and in good working condition.
- Carefully screw the TRIEBEL BenchRest Neck Die into the press using the 1 1/4" threads.
- Tighten the die securely, but avoid excessive force that could damage the threads.

### 2. Usage:

- Select the appropriate cartridge cases for reloading. Ensure they are clean and free of debris.
- If using the optional expander, make sure it is correctly installed.
- Insert the cartridge case into the die and ensure it is aligned properly.
- Operate the press slowly and steadily to resize the neck of the cartridge case.
- After resizing, check the dimensions of the cartridge case to ensure they meet specifications.
- Remove the resized cartridge case from the die and proceed with the next steps in your reloading process.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Ensure that all hazardous materials, including spent primers and powder, are disposed of properly.
- Do not dispose of reloading components in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the TRIEBEL BenchRest Neck Die, please refer to the product manual or contact your local dealer.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the TRIEBEL BenchRest Neck Die. Always prioritize safety and adhere to best practices when handling reloading equipment. Thank you for your attention to these important guidelines.
