

# SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp - 375 SWISS P - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 1 1/4"

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL Seater with Crimp Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the bullet seater.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the TRIEBEL Seater with Crimp for its intended purpose: seating bullets in rifle cartridges.
- Ensure the bullet is correctly aligned in the guide bushing before seating.
- Avoid excessive force when seating bullets to prevent damage to the cartridge or seater.
- Do not modify the seater or use it with incompatible components.
- Make sure the workspace is clean and free of obstructions before beginning work.
- Follow all local laws and regulations regarding ammunition reloading and usage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Attach the TRIEBEL Seater with Crimp to the reloading press using the provided thread (1 1/4").
- Verify that the seater is tightened properly to prevent movement during use.

### 2. Usage:

- Prepare the cartridge case and bullet for seating.
- Place the bullet into the guide bushing of the seater.
- Pull the handle of the reloading press slowly and steadily to seat the bullet.
- If crimping is desired, adjust the seaterhead as necessary and follow the same process.
- Inspect the seated bullet for proper depth and alignment.

## Disposal Instructions

- Dispose of the product according to local regulations for hazardous waste.
- Do not dispose of the product in regular household waste.
- If the product is no longer usable, consider recycling components where possible.

## Contact Information for Further Support

For any inquiries or support regarding the TRIEBEL Seater with Crimp, please refer to the manufacturer's contact

details, which can typically be found in the product manual or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seater with Crimp. Enjoy your reloading activities responsibly!
