

BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater - 375 SWISS P - 1 1/4"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 1 1/4"

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL BenchRestSeaters for Rifle Calibers

Safety Instructions

Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your rifle calibers. This product is designed to ensure the highest precision in seating match bullets. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any irregularities or issues, discontinue use immediately and contact a qualified professional.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Use Protective Gear:** Always wear appropriate safety gear, such as safety glasses and gloves, while using the seater.
- **Ensure Stable Setup:** Make sure that your work area is stable and free from distractions. Avoid using the product in a cluttered environment.
- **Avoid Overloading:** Do not exceed the recommended specifications for the product. Overloading may lead to malfunctions or accidents.
- **Proper Handling:** Handle the product with care to avoid injury. Be cautious of sharp edges and moving parts.
- **Follow Bullet Specifications:** Use only the recommended bullet types and sizes for optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is securely mounted to a stable surface.
- Attach the TRIEBEL BenchRestSeater to the press using the provided thread (1 1/4").
- Confirm that the seater is securely fastened and properly aligned.

2. Usage:

- Prepare the cartridge case by ensuring it is clean and free from debris.
- Insert the bullet into the cartridge case, ensuring proper alignment.
- Slowly and carefully operate the press to seat the bullet into the case.
- Check for concentricity and ensure that the bullet is seated correctly.
- If necessary, replace the seaterhead with the appropriate type for the bullet being used.

3. PostUse:

- After use, clean the product to remove any residue or debris.
- Store the product in a dry and safe location, away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRestSeater, please refer to the manual included with your product for guidance on accessories, spare parts, and additional support.

By following these safety instructions, you will ensure a safe and efficient experience with your TRIEBEL BenchRestSeater for rifle calibers. Thank you for prioritizing safety and precision in your reloading practices.
