TRIEBEL Neck Size Bushing Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Neck Size Bushing 10.28mm 378 Swiss P. This product is designed for use with Triebel neck sizing dies. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always handle the bushing with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bushing for signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use protective eyewear while handling or installing the neck size bushing.
- Ensure that the bushing is properly secured in the die before use to prevent accidents.
- Avoid using excessive force during installation or removal of the bushing.
- Do not attempt to modify or repair the bushing; contact a professional for assistance if needed.
- Store the bushing in a dry, cool place to prevent damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that the neck sizing die is clean and free from debris.
- Align the TRIEBEL Neck Size Bushing with the sizing die.
- Gently press the bushing into the die until it is fully seated.
- Check that the bushing is securely in place before proceeding.

2. Usage:

- Follow the manufacturer's instructions for the neck sizing die during operation.
- Monitor the bushing for any signs of wear during use. If any issues arise, discontinue use immediately.
- After use, clean the bushing to remove any residue or debris.

3. Removal:

- Allow the neck sizing die to cool if it has been in use.
- Carefully pull the bushing out of the die using appropriate tools if necessary.
- Inspect the bushing for any damage before storing.

Disposal Instructions

- Dispose of the TRIEBEL Neck Size Bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it is damaged or considered hazardous.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the TRIEBEL Neck Size Bushing, please contact your local distributor or visit the official TRIEBEL website.

By following these safety instructions, you can ensure safe handling and usage of the TRIEBEL Neck Size Bushing. Thank you for your attention to safety and for choosing our product.
