

# Chassis - HNT-26 - Tikka T3 - SA - RH - Folding - Non-ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3. This guide provides essential safety instructions to ensure the safe use and maintenance of your hunting chassis. Please read this document carefully before using the product.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU regulations. Always use the chassis as intended.
- **Hazard Awareness:** Be aware of potential hazards, including but not limited to, improper handling, installation errors, and misuse.
- **Enhanced Recalls:** In the event of a safety recall, follow the instructions provided by the manufacturer for returning or remedying the product.
- **Online Shopping Safety:** When purchasing online, ensure that the retailer complies with EU safety standards.
- **Vulnerable Groups:** Keep the product out of reach of children and individuals who may not be able to use it safely.
- **Reporting Unsafe Products:** If you notice any defects or safety concerns, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle the chassis with care to prevent accidental drops or impacts.
- **Installation:** Follow the installation instructions carefully. Improper installation can lead to malfunctions or accidents.
- **Use of Accessories:** Only use accessories that are compatible with the MDT Chassis HNT26. Using noncompatible parts may compromise safety.
- **Regular Inspections:** Periodically inspect the chassis for signs of wear, damage, or loose components. Address any issues before use.
- **Environmental Considerations:** Avoid exposing the chassis to extreme temperatures, moisture, or corrosive substances.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have all components: magnesium chassis base, carbon fiber forend, carbon fiber grip, and foamfilled carbon fiber buttstock.
- Follow the manufacturer's instructions for assembling the chassis to your Tikka T3.
- Secure all screws and fasteners tightly to prevent any movement during use.
- Check that the chassis is properly aligned and stable before proceeding.

### 2. Usage:

- Always ensure the firearm is unloaded before attaching or detaching the chassis.
- Use the chassis only in safe environments where hunting is permitted.
- Maintain proper shooting posture and grip to enhance control and accuracy.
- Be aware of your surroundings and ensure a clear line of sight before firing.

## **Disposal Instructions**

- Dispose of the chassis responsibly at your local waste management facility.
- Do not dispose of the chassis in regular household waste.
- If the product is damaged beyond repair, ensure it is recycled or disposed of in accordance with local regulations.

## **Contact Information for Further Support**

For any questions regarding the product or safety concerns, please refer to the manufacturer's website or contact their customer support. Always ensure you have the product's serial number and details ready for efficient assistance.

Thank you for your attention to these safety guidelines. Enjoy your hunting experience with the MDT Chassis HNT26!
