

Chassis - HNT-26 - Savage - LA - RH - Folding - Non-ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

MDT Chassis HNT26 Savage Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26 Savage. This product is designed for safe and effective use in hunting applications. Please read this safety instruction guide carefully to ensure proper usage and to minimize risks associated with the product.

General Safety Guidelines

- Always handle the chassis with care to avoid injury.
- Ensure the product is used in accordance with all relevant local laws and regulations.
- Regularly inspect the chassis for any signs of wear or damage.
- Keep the chassis out of reach of children and unauthorized users.
- Report any unsafe product conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible components with the MDT HNT26 chassis to ensure safety and performance.
- Ensure that the chassis is securely attached to the firearm before use.
- Avoid using the chassis in extreme weather conditions that may compromise its integrity.
- Do not exceed the manufacturer's recommended weight limits for accessories attached to the chassis.
- Always wear appropriate eye and ear protection when using the firearm equipped with the chassis.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the MDT HNT26 chassis with the firearm's action and secure it using the provided screws and tools.
- Attach the buttstock, forend, and grip to the chassis, ensuring all components are tightly secured.
- Conduct a final inspection to confirm that everything is properly installed and secure.

2. Usage:

- Before each use, doublecheck that the firearm is unloaded.
- Familiarize yourself with the functionality of the chassis and how it interacts with the firearm.
- Practice safe shooting techniques, including proper stance and grip.
- After use, clean the chassis and check for any signs of damage or wear.

Disposal Instructions

- Dispose of the MDT HNT26 chassis in accordance with local regulations for electronic and nonelectronic waste.
- Do not burn or incinerate the chassis, as this may release harmful substances.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Chassis HNT26 Savage, please refer to the product packaging or visit the manufacturer's website for more information.

Thank you for prioritizing safety while using the MDT Chassis HNT26 Savage. Your careful adherence to these guidelines will help ensure a safe and enjoyable experience.
