

# Chassis - HNT-26 - Savage - SA - RH - Fixed - Non-ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Savage Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 Savage. This guide provides important safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the chassis.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as stated in the product specifications.
- Always handle the chassis with care to prevent any injuries or damage.
- Keep the chassis out of reach of children and vulnerable individuals to avoid accidents.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Weight Consideration:** The MDT HNT26 chassis weighs approximately 26oz. Ensure you are capable of handling the weight comfortably.
- **Proper Fit:** Ensure that the chassis is compatible with your firearm model (Savage 100) and that it is properly fitted.
- **Shooting Environment:** Only use the chassis in safe and designated shooting areas. Follow all local laws and regulations regarding firearm usage.
- **Maintenance:** Regularly clean and maintain the chassis to ensure optimal performance and safety.
- **Storage:** Store the chassis in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Read the manufacturer's instructions carefully before beginning the installation.
- Ensure all parts are present and undamaged.
- Follow these steps for installation:
  - Remove any existing stock from your firearm.
  - Align the MDT chassis with the firearm receiver.
  - Securely attach the chassis using the provided screws and tools.
  - Ensure all connections are tight and secure before proceeding.

### 2. Usage:

- Before using the chassis, ensure that the firearm is unloaded and pointed in a safe direction.
- Adjust the buttstock and grip to fit your personal comfort and shooting style.
- When ready to shoot, ensure that you are in a safe environment with a clear line of sight.
- Follow all standard safety practices for handling firearms, including keeping the finger off the trigger until ready to shoot.

## Disposal Instructions

- When the chassis has reached the end of its life or is no longer usable, dispose of it in accordance with local regulations.

- Do not dispose of the chassis in regular household waste.
- Check for local recycling programs that accept composite materials, such as carbon fiber.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Chassis HNT26 Savage, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Enjoy your experience with the MDT Chassis HNT26 Savage while prioritizing safety and compliance with regulations.
