Safety Instruction Guide for MDT Chassis HNT26 Savage

Introduction

Thank you for choosing the MDT Chassis HNT26 Savage. This product is designed for optimal performance and safety in hunting applications. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the MDT Chassis by following all instructions provided in this guide.
- Be aware of potential risks associated with the use of firearms and related equipment.
- Always handle the chassis and firearm with care to prevent accidents.
- Use the product only for its intended purpose as described in this manual.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the chassis.
- Keep the chassis and associated components out of reach of children and unauthorized users.
- Inspect the chassis for any signs of damage or wear before each use.
- Do not modify the chassis or any of its components; modifications can lead to safety hazards.
- Use appropriate safety gear, such as eye and ear protection, when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm usage.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure that the firearm is unloaded and the safety is engaged.
- Gather all necessary tools for installation.

2. Attaching the Chassis

- Align the MDT chassis with the firearm's action.
- Secure the chassis using the provided screws and tools, ensuring a tight fit.
- Attach the carbon fiber forend, grip, and foamfilled carbon fiber buttstock as per the manufacturer's instructions.

3. Final Checks

- Doublecheck all screws and connections to ensure they are secure.
- Inspect the overall assembly for any misalignments or loose components.

Usage

- Always check the firearm's condition before use.
- Use the MDT Chassis in conjunction with compatible firearms only.
- Follow standard operating procedures for firearm handling and usage.

- After use, clean and maintain the chassis and firearm as per the manufacturer's guidelines.

Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations regarding electronic and composite waste.
- Do not dispose of the chassis in household waste.
- Consider recycling options for carbon fiber components where available.

Contact Information for Further Support

For any inquiries regarding the MDT Chassis HNT26 Savage, please refer to the manufacturer's website or customer service resources for assistance. Ensure to have the product details ready for a quicker response.

By adhering to the guidelines outlined in this safety instruction guide, you can ensure a safer experience with your MDT Chassis HNT26 Savage. Thank you for your attention to safety and responsible usage.
