# MDT Chassis HNT26 Savage Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 Savage. This product is designed to provide a reliable and lightweight solution for your hunting needs. It is essential to follow safety guidelines to ensure the safe use of this chassis and to maximize its performance. This guide outlines important safety instructions, precautions, and usage guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the product is used only for its intended purpose.
- Store the chassis in a safe place, away from children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Do not modify the chassis in any way that could compromise its safety or performance.
- In case of any doubts regarding the product's safety, consult a qualified professional.

## Specific Safety Precautions for Use

- **Weight Considerations:** The MDT HNT26 chassis is lightweight, starting at 26 oz. Ensure that your firearm is compatible with this chassis to maintain balance and control.
- **Handling:** Always handle the chassis and firearm with care. Treat every firearm as if it is loaded.
- **Shooting Environment:** Ensure a safe shooting environment. Be aware of your surroundings and ensure that bystanders are at a safe distance.
- **Maintenance:** Keep the chassis clean and free from debris. Regular maintenance will ensure optimal performance and safety.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure that all users are of legal age and have received proper training.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully remove the MDT HNT26 chassis from its packaging.
- Ensure that you have all components: magnesium chassis base, carbon fiber forend, carbon fiber grip, and foampfilled carbon fiber buttstock.
- Follow the manufacturer's instructions for attaching the chassis to your firearm. Ensure all screws and fittings are secure.
- Check that the chassis is properly aligned and that there is no movement when assembled.

### 2. Usage:

- When using the chassis, ensure that it is securely mounted to the firearm.
- Always wear appropriate safety gear, including eye and ear protection.
- Do not exceed the recommended weight limits of the chassis to prevent damage.
- Practice safe shooting techniques and follow all local laws and regulations regarding firearm use.

## Disposal Instructions

- The MDT Chassis HNT26 is made from materials that can be recycled.
- When disposing of the chassis, follow local regulations regarding the disposal of firearms and related

accessories.

- If the chassis is damaged beyond repair, consider contacting a recycling center that accepts composite materials.

## Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis HNT26 Savage, please consult the product's official documentation or reach out to the manufacturer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26 Savage. Always prioritize safety and responsible usage to protect yourself and others.
