# MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before using the chassis.

## General Safety Guidelines

- Always ensure that the chassis is compatible with your firearm model before use.
- Inspect the chassis and all components for any damage or wear before installation.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Do not modify the chassis or any of its components. Modifications can compromise safety and performance.
- Always follow local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the chassis.
- Use only the recommended accessories and components specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when using the firearm.
- Avoid using the chassis in adverse weather conditions, which may affect performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing stock from the Tikka T3 by following the manufacturer's instructions.
- Align the MDT chassis with the action of the Tikka T3.
- Secure the chassis to the action using the provided screws and tools. Ensure all screws are tightened to the manufacturer's specifications.
- Attach the carbon fiber forend, grip, and buttstock according to the assembly instructions provided with the chassis.
- Perform a final inspection to ensure all components are securely attached.

### 2. Usage:

- Before each use, inspect the chassis for any signs of wear or damage.
- Ensure that the firearm is properly secured in the chassis and that all components are functioning correctly.
- Practice safe handling and shooting techniques at all times.
- If any issues arise during use, cease operation immediately and consult a qualified gunsmith or contact the manufacturer for support.

## Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local regulations regarding electronic waste and firearms accessories.
- Do not dispose of the product in regular household waste. Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MDT Chassis HNT26, please reach out to the designated EU contact point provided by the manufacturer.

By following these safety instructions, you help ensure a safe and enjoyable experience with your MDT Chassis HNT26. Thank you for your attention to safety and responsible firearm use.
