

# Chassis - HNT-26 - Tikka T3 - LA - RH - Fixed - Non-ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3 rifle. This product has been designed with safety and functionality in mind. Please read this safety instruction guide carefully to ensure safe use and compliance with all relevant regulations.

## General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the MDT Chassis is compatible with your specific model of Tikka T3 before installation.
- Inspect the chassis regularly for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- In case of any malfunction or damage, discontinue use immediately and consult a qualified professional.
- Always follow the manufacturer's instructions for use and maintenance.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before handling or installing the chassis.
- Use caution when attaching or detaching components to avoid pinching fingers or causing injury.
- Do not exceed the recommended weight limit for the chassis.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Always wear appropriate eye protection when using firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have all necessary tools and components before beginning installation.
- Work in a clean, dry area to prevent any debris from entering the chassis.

### 2. Installation Steps

- Remove the existing stock from your Tikka T3 rifle.
- Align the MDT chassis with the rifle's action and ensure proper fit.
- Secure the chassis to the rifle using the provided screws and tools, ensuring all screws are tightened to the manufacturer's specifications.
- Attach the carbon fiber forend, grip, and buttstock as per the instructions included with the chassis.
- Doublecheck all connections and ensure everything is secure before use.

### 3. Usage

- Familiarize yourself with the features of the MDT chassis before use.
- Practice safe handling and shooting techniques at all times.
- Regularly check the chassis for any loose components or signs of wear.

## Disposal Instructions

- Dispose of the MDT chassis in accordance with local regulations.
- If the chassis is damaged beyond repair, consider recycling materials where possible.

- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding safety, installation, or usage, please contact the manufacturer or your local distributor for assistance. Ensure you have your product details handy for faster support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your experience with the MDT Chassis HNT26.
