Safety Instruction Guide for MDT Chassis HNT26 Tikka T3

Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3. This product is designed to enhance your hunting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Always ensure that the MDT Chassis is compatible with your firearm model before installation.
- Inspect the chassis for any visible damage or defects before use. Do not use if damaged.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearms and hunting equipment.
- Use the chassis only for its intended purpose as specified by the manufacturer.
- Be aware of your surroundings when using the chassis in the field to avoid accidents.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Use protective eyewear when handling firearms to prevent injury from accidental discharge.
- Maintain a safe distance from others when handling or firing your firearm equipped with the MDT Chassis.
- Do not modify the chassis or any of its components, as this may compromise safety.
- Regularly clean and maintain the chassis to ensure optimal performance and safety.
- If you notice any unusual behavior during use, stop immediately and inspect the chassis and firearm.

Instructions for Installation and Usage

1. Installation of the MDT Chassis:

- Ensure the firearm is unloaded.
- Remove the original stock from the Tikka T3 according to the manufacturer's instructions.
- Align the MDT Chassis with the action of the firearm.
- Securely attach the chassis using the provided screws, ensuring they are tightened to the recommended torque specifications.
- Attach the carbon fiber forend and grip as per the installation instructions included with the chassis.
- Finally, install the foamfilled carbon fiber buttstock, ensuring all components are secure.

2. Usage of the MDT Chassis:

- Once installed, ensure the firearm is properly balanced and comfortable to hold.
- Practice aiming and handling the firearm in a safe environment before heading into the field.
- Regularly check the tightness of screws and components during use, especially after extensive shooting sessions.

Disposal Instructions

- Dispose of the MDT Chassis in accordance with local regulations regarding electronic waste and materials.
- If the chassis is damaged beyond repair, consider recycling components where possible.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the MDT Chassis HNT26, please contact your local MDT representative or visit the official MDT website for support.

Thank you for prioritizing safety while using your MDT Chassis. By following these guidelines, you can ensure a safe and enjoyable hunting experience.
