MDT Chassis HNT26 Savage Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26 Savage. This product is designed to provide a lightweight and durable solution for hunting. This safety instruction guide is intended to ensure your safe use of the chassis and to comply with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your MDT Chassis.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a hunting chassis.
- Always inspect the chassis for any visible damage or defects before use.
- Keep the chassis out of reach of children and vulnerable individuals when not in use.
- Be aware of your surroundings when using the chassis in the field to avoid accidents.
- Follow local laws and regulations regarding hunting and firearm usage.
- Regularly check for updates on product safety and recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Weight Consideration:** The MDT HNT26 chassis weighs approximately 26oz. Ensure that you are comfortable handling this weight during use.
- **Proper Handling:** Always handle the chassis with care, ensuring that it is secure and stable while in use.
- **Firearm Compatibility:** Verify that your firearm is compatible with the MDT Chassis HNT26 before installation.
- **Environmental Awareness:** Be mindful of environmental conditions such as wind and terrain when using the chassis to maintain stability and accuracy.
- **Storage:** Store the chassis in a cool, dry place when not in use to prevent damage to materials.

Instructions for Installation and Usage

1. Installation:

- Ensure you have all components: magnesium chassis base, carbon fiber forend, carbon fiber grip, and foamfilled carbon fiber buttstock.
- Follow the manufacturer's instructions for attaching each component to the chassis.
- Use appropriate tools for installation to avoid damaging the chassis.
- Doublecheck that all components are securely attached before use.

2. Usage:

- Before using the chassis, ensure that your firearm is unloaded and pointed in a safe direction.
- Attach your firearm securely to the chassis according to the manufacturer's guidelines.
- Practice proper shooting techniques and safety measures while using the chassis.
- After use, clean the chassis as recommended to maintain its condition.

Disposal Instructions

- When disposing of the MDT Chassis, comply with local regulations regarding the disposal of composite materials and firearm accessories.
- Consider recycling components where possible, particularly carbon fiber materials.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis HNT26 Savage, please refer to the manufacturer's support resources. Ensure to stay informed about product updates and safety information through the EU Safety Gate platform.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26 Savage. Thank you for your attention to safety.
