MDT Chassis HNT26 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26. This product is designed to enhance your hunting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use and maintain your chassis safely.

General Safety Guidelines

- Ensure that all users of the MDT Chassis HNT26 are familiar with its operation and safety features.
- Always treat your rifle as if it is loaded, even when you believe it to be empty.
- Keep the chassis and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage. If any issues are found, do not use the product until it has been repaired or replaced.
- Always use the chassis in a safe and controlled environment, away from populated areas and obstacles.
- Be aware of your surroundings and ensure that the area is clear of people and animals before using the chassis.
- Follow all local laws and regulations regarding hunting and firearm usage.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for the chassis.
- Ensure that all components (buttstock, forend, grip) are securely attached before use.
- Avoid using the chassis in adverse weather conditions that may affect your safety or performance.
- Do not modify the chassis in any way that could compromise its integrity or safety.
- Always wear appropriate safety gear, such as eye protection, when using the chassis.
- Be mindful of your shooting position and ensure that you have a stable stance to avoid accidents.

Instructions for Installation and Usage

Installation

1. **Unboxing:** Carefully remove the MDT Chassis HNT26 from its packaging. Check for any visible damage or missing components.
2. **Assembly:**
 - Attach the buttstock to the chassis base by aligning the mounting points and securing them with the provided screws.
 - Connect the carbon fiber forend to the chassis, ensuring it fits snugly and is securely fastened.
 - Install the carbon fiber grip by sliding it into place and tightening the screw to secure it.
3. **Final Check:** Once assembled, perform a thorough inspection to ensure all components are securely attached and functioning correctly.

Usage

1. **Loading:** Ensure that you are in a safe environment before loading your rifle into the chassis.
2. **Shooting Position:** Position yourself comfortably and ensure that the rifle is stable within the chassis.
3. **Firing:** Always follow proper firearm safety protocols when firing your rifle.
4. **PostUse:** After use, remove the rifle from the chassis and store it in a safe location.

Disposal Instructions

- Dispose of the MDT Chassis HNT26 in accordance with local regulations regarding electronic waste and materials.

- If the chassis is damaged beyond repair, contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Chassis HNT26, please reach out to your local retailer or the manufacturer. Ensure that you have your product details at hand for a more efficient response.

Thank you for taking the time to read this safety instruction guide. Your safety and enjoyment while using the MDT Chassis HNT26 are our top priorities. Always prioritize safety and responsible usage.
