

Chassis - HNT-26 - Savage - SA - RH - Fixed - ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

MDT Chassis HNT26 Savage Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26 Savage. This product is designed for safe and effective use in hunting applications. To ensure your safety and the safety of others, please read this guide carefully and follow all instructions.

General Safety Guidelines

- Always handle the chassis and any associated equipment with care.
- Ensure that the product is used only for its intended purpose.
- Keep the chassis out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage.
- If you notice any defects or irregularities, discontinue use immediately and seek assistance.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the MDT Chassis HNT26 in accordance with the manufacturer's guidelines.
- Ensure that the chassis is securely attached to your firearm before use.
- Check that all components (buttstock, forend, grip) are properly installed and functioning.
- Avoid using the chassis in adverse weather conditions that may affect performance or safety.
- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the chassis.
- Wear appropriate safety gear, including eye protection, when using the chassis.

Instructions for Installation and Usage

1. Unpacking the Product

- Carefully remove the MDT Chassis HNT26 from the packaging.
- Inspect all components for any visible damage or defects.

2. Installation

- Attach the magnesium chassis base to your Savage Arms model 100 following the provided instructions.
- Secure the carbon fiber forend to the chassis base.
- Attach the carbon fiber grip to the chassis, ensuring a tight fit.
- Finally, install the foamfilled carbon fiber buttstock, making sure it is securely fastened.

3. Usage

- Before using the chassis, ensure that your firearm is unloaded and pointed in a safe direction.
- Familiarize yourself with the operation of the chassis and its components.
- Practice safe handling procedures at all times.

4. PostUse Care

- After use, clean the chassis and components as per the manufacturer's recommendations.
- Store the chassis in a safe, dry location away from children.

Disposal Instructions

- Dispose of the MDT Chassis HNT26 in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Contact your local waste management authority for information on proper disposal methods for composite materials.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis HNT26, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy your hunting experience with the MDT Chassis HNT26 Savage!
