

# Chassis - HNT-26 - Savage - SA - RH - Fixed - ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Savage Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 Savage. This product is designed for enhanced performance in hunting applications. To ensure your safety and the safety of others, please read this guide carefully. It provides important information about safe usage, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the MDT Chassis by following all instructions.
- Regularly check for any recalls or safety alerts related to this product.
- If purchasing online, ensure the platform complies with safety requirements.
- Be aware of special considerations if the product will be used by vulnerable groups, such as children.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the MDT Chassis in accordance with the manufacturer's instructions.
- Verify that all components are securely attached before use.
- Inspect the chassis and all components for damage before each use.
- Do not exceed the manufacturer's recommended weight limits for the chassis.
- Ensure that the chassis is used in a safe environment, away from hazards.
- Keep the chassis out of reach of children and unauthorized users.
- Use appropriate safety gear when handling firearms equipped with this chassis.
- Do not modify the chassis or any of its components as this may compromise safety.

## Instructions for Installation and Usage

### 1. Unboxing and Inspection

- Carefully remove the MDT Chassis from the packaging.
- Inspect all components for any visible damage or defects.
- Ensure that all items listed in the product manual are included.

### 2. Installation

- Follow these steps to install the MDT Chassis:
  - a. Align the chassis base with the firearm's action.
  - b. Secure the chassis using the provided screws and tools.
  - c. Attach the carbon fiber forend, grip, and buttstock as per the included instructions.
  - d. Ensure all components are tightened and secure.

### 3. Usage

- Before using the MDT Chassis, familiarize yourself with its features and functions.
- Always handle the firearm safely and responsibly.
- Ensure that the firearm is unloaded when attaching or detaching the chassis.
- Regularly check for any signs of wear or damage during usage.

## **Disposal Instructions**

- When disposing of the MDT Chassis, follow local regulations for electronic waste and materials.
- If the chassis is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any inquiries or support regarding safety or product usage, please refer to the manufacturer's website or contact their customer service department directly. Ensure you have your product details ready for efficient assistance.

Thank you for prioritizing safety while using the MDT Chassis HNT26 Savage. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
