

# Chassis - HNT-26 - Savage - LA - RH - Fixed - ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Savage Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 Savage. This product is designed for optimal performance and safety during use. Please read this safety instruction guide carefully to ensure proper handling, installation, and maintenance of the chassis. Adhering to these guidelines will help you enjoy your product while ensuring your safety and the safety of others.

## General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear.
- Use protective gear when handling or operating firearms.
- Store the product in a safe, dry place when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Do not exceed the weight limit specified for the chassis.
- Avoid using the product in adverse weather conditions that may affect performance.
- Always follow the manufacturer's instructions for the proper installation and usage of the chassis.
- Be aware of your surroundings when using the product, especially in hunting scenarios.
- Do not modify the chassis in any way, as this may compromise safety.

## Instructions for Installation and Usage

### Installation

1. **Preparation** Ensure that you have all necessary tools and components as provided in the package.

2. **Attach the Chassis to the Action**

- Align the chassis with the rifle action.
- Securely fasten the chassis using the provided screws and tools.
- Check that the chassis is firmly attached and does not wobble.

3. **Install the Forend**

- Attach the carbon fiber forend to the chassis.
- Ensure it is locked in place and secure.

4. **Attach the Buttstock**

- Connect the foamfilled carbon fiber buttstock to the rear of the chassis.
- Adjust for comfort and secure the attachment.

5. **Install the Grip**

- Attach the carbon fiber grip to the chassis.
- Ensure it is secure and comfortable to hold.

## Usage

- Always ensure the rifle is pointed in a safe direction.
- Use the chassis as intended, following all operational guidelines.
- Regularly check the tightness of all components during use.
- Avoid overtightening screws, as this may damage the chassis.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste.
- Consider recycling materials where possible, especially carbon fiber components.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's official website or customer service contact. Always ensure you have the product details available when seeking assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26 Savage. Thank you for your attention to safety.
