

# Chassis - HNT-26 - Savage - LA - RH - Fixed - ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# MDT Chassis HNT26 Savage Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT26 Savage. This guide provides essential safety information and instructions to ensure the safe use and handling of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Always handle your MDT Chassis with care to prevent accidents or injuries.
- Ensure that the chassis is compatible with your firearm model before installation.
- Keep the product out of reach of children and untrained individuals.
- Regularly inspect the chassis for any signs of wear or damage.
- Use the product only for its intended purpose as specified in this guide.
- In case of any malfunction, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation may lead to firearm instability.
- Failure to follow usage instructions can result in personal injury or property damage.

### • Avoiding Hazards:

- Always ensure that the firearm is unloaded before attaching or detaching the chassis.
- Use appropriate tools to secure the chassis; do not overtighten screws to avoid damage.
- Do not modify the chassis in any way that could compromise its structural integrity.
- Store the chassis in a cool, dry place when not in use.

### • AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that young users are educated on firearm safety and the proper use of the chassis.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing stock or chassis from the firearm.
- Align the MDT Chassis with the firearm's receiver.
- Secure the chassis using the provided screws and tools, ensuring a snug fit without overtightening.
- Attach the forend, grip, and buttstock as per the manufacturer's instructions.

### 2. Usage:

- After installation, perform a function check to ensure that the firearm operates correctly with the new chassis.
- Familiarize yourself with the handling characteristics of the chassis while at a shooting range or safe environment.
- Always wear appropriate safety gear, including eye and ear protection, when using the firearm.

### **3. Maintenance:**

- Regularly clean and inspect the chassis for wear and tear.
- Use a soft cloth and appropriate cleaning solutions to maintain the chassis.
- If any damage is detected, discontinue use until repaired or replaced.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling the materials where possible, especially carbon fiber components.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product recalls, please refer to the manufacturer's website or contact your local dealer. It is important to stay informed about any safety updates or product recalls.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26 Savage. Always prioritize safety and responsible handling of your firearm and accessories. Thank you for your attention to these important safety measures.
