MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3. This lightweight hunting chassis is designed for safety and performance. Please read this safety instruction guide thoroughly to ensure safe operation and maintenance of your product.

General Safety Guidelines

- Always handle the chassis with care and respect, treating it as a precision instrument.
- Keep the chassis out of reach of children and unauthorized users.
- Ensure that the chassis is used only for its intended purpose.
- Regularly inspect the chassis for any signs of wear or damage.
- Always wear appropriate safety gear when using the chassis, such as eye protection.
- Be aware of your surroundings and ensure a safe environment when using the chassis.
- Follow all local laws and regulations regarding the use of firearms and related equipment.

Specific Safety Precautions for Use

- **Weight Considerations:** The MDT HNT26 is ultralightweight (starting at 26oz). Ensure that you are comfortable handling the weight and that it does not impede your balance or control.
- **Proper Installation:** Ensure that all components, including the buttstock, forend, and grip, are securely attached before use.
- **Use of Accessories:** Only use accessories that are compatible with the MDT HNT26 chassis. Using incompatible parts may compromise safety.
- **Folding Mechanism:** When using the folding feature, ensure that it is fully locked in place before handling or firing the firearm.
- **Carbon Fiber Components:** Handle carbon fiber parts with care. Avoid dropping or striking them against hard surfaces to prevent damage.
- **Environmental Conditions:** Avoid using the chassis in extreme weather conditions that could affect performance, such as heavy rain or extreme heat.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Remove the existing stock from your Tikka T3.
- Align the MDT HNT26 chassis with the action of the firearm.
- Securely attach the chassis using the provided screws and tools, ensuring everything is tight and properly aligned.
- Attach the carbon fiber forend and grip according to the manufacturer's specifications.

2. Usage Instructions:

- Before use, ensure that the firearm is unloaded and pointed in a safe direction.
- Familiarize yourself with the folding mechanism and ensure it is functional before use.
- When ready to fire, assume a stable shooting position and ensure that the chassis is properly supported.
- After use, clean the chassis as per the maintenance guidelines to ensure longevity and performance.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations for nonhazardous materials.
- If the chassis is damaged beyond repair, ensure that it is disposed of in a way that prevents unauthorized use.
- Recycle components where possible, especially carbon fiber parts, in accordance with local recycling programs.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis HNT26, please refer to the manufacturer's website or contact their support team directly. Ensure that you have the product details ready for a more efficient resolution.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26. Thank you for your attention to safety and responsible use.
