

# Chassis - HNT-26 - Tikka T3 - SA - RH - Fixed - ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

# Safety Instruction Guide for MDT Chassis HNT26 Tikka T3

## Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3 rifle. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and the MDT chassis before use.
- Always handle your firearm with care, treating it as if it is loaded.
- Store your chassis and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use and transportation of firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction.
- Inadequate maintenance can result in safety risks.
- Using incompatible components may cause failure.

- **Instructions for Avoiding Hazards:**

- Always ensure the chassis is properly installed according to the instructions provided.
- Regularly clean and maintain the chassis to ensure optimal performance.
- Use only compatible accessories and components designed for the MDT Chassis HNT26.

- **Age or Audience Specific Warnings:**

- This product is intended for use by adults. Keep it away from children and inexperienced users.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the rifle is unloaded and safe to handle.
2. Remove the existing stock from your Tikka T3 rifle.
3. Align the MDT chassis with the rifle's action and secure it using the provided screws.
4. Attach the buttstock, forend, and grip, ensuring all components are tightly fastened.
5. Check the alignment and secure fit of all parts before use.

- **Usage:**

- Always verify that the rifle is pointed in a safe direction before loading or unloading.
- When using the rifle, maintain a proper shooting stance and grip.
- Regularly check the tightness of all screws and attachments during use.
- If you experience any issues while using the chassis, cease use immediately and inspect for problems.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- When the chassis reaches the end of its useful life, dispose of it in accordance with local regulations for electronic and composite materials.
- Do not burn or incinerate the chassis, as it may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Chassis HNT26, please refer to the manufacturer's website or contact their customer support. Ensure that you have the product information ready for a more efficient response.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT Chassis HNT26. Thank you for your attention to safety.
