

Chassis - HNT-26 - Tikka T3 - SA - RH - Fixed - ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the MDT Chassis is used only with compatible models, specifically Tikka T3 and T3x.
- Always inspect the chassis for any damage before use. Do not use if any parts appear damaged or worn.
- Keep the chassis out of reach of children and vulnerable individuals when not in use.
- Store the chassis in a secure location to prevent unauthorized access.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Always handle the chassis with care and respect, treating it as a firearm accessory.
- Use proper eye and hearing protection when using the firearm equipped with the chassis.
- Ensure that the firearm is unloaded when installing or removing the chassis.
- Do not modify the chassis in any way, as this may compromise safety and performance.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the original stock from the Tikka T3 or T3x.
- Align the MDT Chassis with the action of the firearm.
- Securely attach the chassis using the provided screws, ensuring all screws are tightened appropriately.
- Attach the carbon fiber forend, grip, and buttstock as per the manufacturer's instructions.

2. Usage:

- Verify that all components are securely attached before use.
- Familiarize yourself with the operation of the chassis and ensure proper functionality.
- Regularly check the tightness of screws and components during use.

Disposal Instructions

- Dispose of the MDT Chassis and its components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Check for designated recycling or disposal facilities for firearm accessories.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT Chassis HNT26, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure the safe use of your MDT Chassis HNT26 and enjoy a reliable hunting experience. Thank you for your attention to safety.
