

Chassis - HNT-26 - Tikka T3 - LA - RH - Fixed - ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The first purpose-built hunting chassis from MDT. Weighing in starting at 26oz (for chassis, buttstock, forend and grip combined), this is the most ultra-light hunting chassis on the market. The MDT HNT26 is sold as a complete hunting chassis system including magnesium chassis base, carbon fiber forend, carbon fiber grip and foam filled carbon fiber buttstock.

Safety Instruction Guide for MDT Chassis HNT26 Tikka T3

Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure the product is suitable for your specific rifle model (Tikka T3, T3x).
- Always inspect the chassis and its components for any damages before use.
- Store the chassis in a cool, dry place away from direct sunlight.
- Use the chassis only for its intended purpose as a hunting chassis.
- Keep the chassis out of reach of children and vulnerable individuals.
- Familiarize yourself with the local laws and regulations regarding hunting and firearm use.

Specific Safety Precautions for Use

- **Weight Consideration:** The chassis weighs approximately 26oz. Ensure your setup is balanced to avoid fatigue during extended use.
- **Handling and Transport:** Always handle the rifle with care. Use a proper case when transporting to prevent damage.
- **Assembly:** Follow the installation instructions carefully to avoid improper assembly that could lead to accidents.
- **Shooting Position:** Use the chassis in a stable shooting position to maintain control and accuracy.
- **Environmental Awareness:** Be aware of your surroundings and ensure a safe shooting environment free from obstructions and bystanders.

Instructions for Installation and Usage

Installation

1. **Unpack the Components:** Carefully unpack the chassis, buttstock, forend, and grip.
2. **Check for Completeness:** Verify that all components are included as per the product specifications.
3. **Attach the Chassis:**
 - Align the chassis with the Tikka T3 action.
 - Secure it using the provided screws, ensuring they are tightened to the manufacturer's specifications.
4. **Install the Buttstock:**
 - Attach the foamfilled carbon fiber buttstock to the rear of the chassis.
 - Ensure it is firmly secured.
5. **Attach the Forend and Grip:**
 - Install the carbon fiber forend and grip, ensuring they fit snugly and securely.
6. **Final Check:** Inspect all connections and ensure everything is tightly secured before use.

Usage

- **Loading and Unloading:** Always follow safe firearm handling practices when loading or unloading your rifle.
- **Shooting:** Maintain a proper shooting stance and ensure the rifle is aimed in a safe direction at all times.
- **Cleaning:** After use, clean the chassis and components according to the manufacturer's guidelines to maintain performance and longevity.

Disposal Instructions

- Dispose of packaging materials in accordance with local recycling regulations.
- When disposing of the chassis or its components, follow local guidelines for electronic and composite materials.
- Do not dispose of any parts in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Chassis HNT26, please consult the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure the safe and effective use of your MDT Chassis HNT26. Always prioritize safety and remain informed about best practices in handling your firearm.
