MDT Chassis HNT26 Tikka T3 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT26 for your Tikka T3. This product is designed to enhance your hunting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the chassis safely.

General Safety Guidelines

To ensure safe use of the MDT Chassis HNT26, please adhere to the following guidelines:

- Always inspect the chassis for any damage before use.
- Ensure that all components are securely attached and functioning properly.
- Use the chassis only for its intended purpose as specified in the product description.
- Keep the chassis out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding hunting and firearm use.

Specific Safety Precautions for Use

When using the MDT Chassis HNT26, please take the following precautions:

- Always handle firearms with care and treat them as if they are loaded.
- Use appropriate eye and ear protection when shooting.
- Avoid using the chassis in wet or slippery conditions to prevent accidents.
- Do not modify the chassis or its components, as this may compromise safety and performance.
- Ensure that the chassis is compatible with your specific firearm model before use.

Instructions for Installation and Usage

To install and use the MDT Chassis HNT26, follow these steps:

1. Installation:

- Carefully remove the chassis from its packaging.
- Inspect all components (chassis base, forend, grip, and buttstock) for any signs of damage or defects.
- Attach the chassis base to your Tikka T3 according to the manufacturer's instructions.
- Securely fasten the forend, grip, and buttstock to the chassis base.
- Doublecheck all connections to ensure they are tight and secure.

2. Usage:

- Before each use, conduct a safety check to ensure the firearm is unloaded.
- Familiarize yourself with the controls and features of the chassis.
- Practice safe shooting habits, including maintaining a proper shooting stance and awareness of your surroundings.
- After use, clean and maintain the chassis according to the maintenance guidelines provided by the manufacturer.

Disposal Instructions

When the MDT Chassis HNT26 reaches the end of its life, please dispose of it responsibly:

- Do not dispose of the chassis in regular household waste.
- Check local regulations for proper disposal methods of firearm accessories.
- Consider recycling components made of metal, carbon fiber, and other materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis HNT26, please refer to the product packaging for contact details of the manufacturer. They can provide additional support and information regarding safety, usage, and maintenance.

Conclusion

Your safety is paramount when using the MDT Chassis HNT26. By following these guidelines and instructions, you can ensure a safe and enjoyable hunting experience. Remember to stay informed about safety updates and recall notices through the EU's Safety Gate platform. Thank you for your attention to safety and for choosing our product. Happy hunting!
