

## Chassis - XRS - CZ 457 - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The XRS Chassis is designed for shooters that want the fit and feel of a traditional shaped rifle stock with the benefits of a modern precision rifle chassis system. Each XRS Chassis is constructed from a full-length CNC machined core of 6061 aircraft grade aluminum wearing high strength textured polymer panels for insulation from the elements. The precision aluminum V-block bedding system ensures fit and function to maximize the accuracy of any rifle action. The XRS Chassis features a replaceable over molded and textured grip system, with both an angled grip and a vertical grip included in box.

AVAILABLE

The XRS Chassis is the most advanced and configurable crossover stock on the market and is the ideal performance upgrade for any factory rifle or foundation for a custom rifle build. Weighing in at 3.9lbs (depending on inlet), the XRS is ideal for both hunting or target rifles. The XRS features adjustable length of pull via spacers from 13.25" to 15+" and a quick adjust cheek piece to adjust for scope height over bore. The XRS accepts standard AICS pattern magazines and has an easy to manipulate ambidextrous magazine latch. The generous 12" long Forend comes with M-LOK slots built in for accessory mounting and attachment of ARCA or picatinny rails.

# Safety Instruction Guide for MDT Chassis XRS CZ 457

## Introduction

Thank you for choosing the MDT Chassis XRS CZ 457. This guide provides essential safety instructions and information to ensure the safe and effective use of your chassis. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the chassis with care to avoid injury.
- Keep the chassis out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage.
- If you notice any defects, cease use immediately and contact support.
- Follow all local laws and regulations regarding firearms and accessories.

## Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installing or removing the chassis.
- Use appropriate protective gear, such as eye and ear protection, during use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the chassis or any of its components without professional guidance.
- Ensure that the chassis is securely attached to the rifle before use.
- Avoid using the chassis in extreme weather conditions that may affect performance.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Work Area

- Choose a clean, dry, and welllit area for installation.
- Gather necessary tools (e.g., screwdriver, torque wrench).

#### 2. Remove the Existing Stock

- Ensure the rifle is unloaded.
- Carefully detach the existing stock from the rifle, following the manufacturer's instructions.

#### 3. Install the MDT Chassis

- Align the rifle action with the XRS Chassis.
- Secure the action using the provided screws, ensuring a snug fit.
- Follow the torque specifications provided in the product manual.

#### 4. Attach the Forend and Grip

- Install the forend by sliding it into place and securing it with the provided hardware.
- Choose the desired grip (angled or vertical) and install it as per the instructions.

#### 5. Adjust Length of Pull and Cheek Piece

- Adjust the length of pull using the spacers to fit your preference.
- Position the cheek piece to align with your scope height.

## **Usage**

- Familiarize yourself with the features of the MDT Chassis.
- Regularly check all adjustments to ensure they remain secure during use.
- Use standard AICS pattern magazines and ensure they are properly seated.

## **Disposal Instructions**

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in household waste.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your MDT Chassis XRS CZ 457. Thank you for your attention to these important safety instructions.
