# MDT Accessories Vertical Grip Elite Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Vertical Grip Elite. This grip is designed to enhance your shooting experience while ensuring safety during use. This guide provides essential safety instructions, installation guidance, and disposal information to ensure the safe use of this product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the grip.
- Use the grip only for its intended purpose as described in this manual.
- Keep the grip out of reach of children and unauthorized users.
- Regularly inspect the grip for signs of wear or damage before each use.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure a proper fit with your firearm to prevent any accidents during use.
- Do not modify the grip or use it in a way that is not recommended by the manufacturer.
- Avoid using the grip in extreme weather conditions, which may affect its performance.
- Always use protective gear (e.g., eye protection) when operating firearms.
- Be aware of your surroundings and ensure a safe environment when using the grip.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation (if applicable).

#### 2. Attaching the Grip:

- Align the grip with the designated mounting area on your firearm.
- Secure the grip using the provided screws or mounting hardware.
- Tighten all screws to ensure a secure fit without overtightening, which may damage the grip or firearm.

#### 3. Final Check:

- Ensure that the grip is firmly attached and does not wobble.
- Conduct a function check of the firearm to ensure proper operation.

### Usage

- Hold the grip firmly while aiming and shooting to maintain control.
- If you experience any issues with the grip during use, cease operation immediately and inspect for damage.
- Clean the grip as needed with a mild detergent and water; avoid harsh chemicals that may damage the finish.

## **Disposal Instructions**

- Dispose of the grip in accordance with local regulations for plastic and metal waste.
- If the grip is damaged or no longer usable, ensure it is disposed of in a manner that prevents it from being used improperly.

## **Contact Information for Further Support**
