# MDT Vertical Grip Premier Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Vertical Grip Premier, designed specifically for AR15 platforms. This safety instruction guide provides essential information to ensure the safe and effective use of your product. Please read this guide carefully before using the grip.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the vertical grip.
- Use the vertical grip only as intended, in accordance with the manufacturer's instructions.
- Keep the vertical grip out of reach of children and unauthorized users.
- Regularly inspect the vertical grip for signs of wear or damage. Do not use if damaged.
- Store the vertical grip in a safe and secure location when not in use.

## Specific Safety Precautions for Use

- Ensure a proper fit: Adjust the grip to accommodate your hand size for optimal control.
- Maintain a firm grip: Always hold the grip securely while aiming and firing to maintain control of the firearm.
- Avoid distractions: Focus on your shooting discipline and avoid any distractions that may compromise safety.
- Be aware of your surroundings: Always be mindful of your environment and ensure a safe shooting area.
- Use appropriate eye and ear protection when shooting to safeguard against injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Locate the mounting area on your AR15 where the vertical grip will be attached.
- Align the vertical grip with the mounting area.
- Securely fasten the grip using the provided screws, ensuring it is tightly in place.
- Check that the grip is firmly attached before use.

### 2. Usage:

- Adjust the grip for fore and aft positioning to suit your hand size.
- Practice holding the grip in a safe environment to familiarize yourself with its feel and functionality.
- When ready to shoot, maintain a proper stance and grip on the firearm, using the vertical grip to enhance stability.

## Disposal Instructions

- Dispose of the vertical grip in accordance with local regulations.
- If the grip is damaged beyond use, consider recycling if possible.
- Do not dispose of the grip in general waste if it contains nonbiodegradable materials.
