Safety Instruction Guide

Introduction

Thank you for choosing the MDT MLOK MultiCaliber Spare Round Holder. This product is designed to securely store an additional 2 rounds on the side of your rifle, enhancing your shooting experience. To ensure your safety and the proper use of this product, please read and follow the instructions outlined in this safety guide.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always check that the spare round holder is securely attached to your rifle before use.
- Do not overload the holder beyond its intended capacity of 2 rounds.
- Ensure that the rounds stored are compatible with your rifle and are in good condition.
- Avoid exposing the product to extreme temperatures or harsh chemicals.
- Use the product in a safe environment, away from unauthorized persons.

Instructions for Installation and Usage

Installation

1. **Select Location:** Choose a suitable location on your rifle where the MLOK spare round holder can be mounted securely.
2. **Prepare Surface:** Clean the mounting area to remove any dirt or debris.
3. **Align Holder:** Align the spare round holder with the MLOK slots on your rifle.
4. **Secure Attachment:**
 - Insert the provided screws into the MLOK slots.
 - Tighten the screws using the appropriate tool until the holder is firmly attached.
5. **Check Stability:** Ensure that the holder is stable and does not move when pulled or pushed.

Usage

1. **Load Rounds:** Carefully load up to 2 rounds into the holder.
2. **Check Fit:** Ensure that the rounds fit securely and do not fall out during movement.
3. **Regular Inspection:** Periodically check the holder and rounds for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- If the product is damaged or no longer usable, ensure it is disposed of in a way that prevents injury to others.
