# MDT Metal Magazine Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Metal Magazine Metal 6BR 10 Round BLK. This guide provides essential safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the magazine.

## General Safety Guidelines

- Ensure that the magazine is used only with compatible firearms.
- Always handle the magazine and firearm with care to prevent accidents.
- Follow all local laws and regulations regarding the use of firearms and magazines.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear before use.
- In case of any malfunction or abnormal behavior, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Material Safety:** The magazine is made of highstrength steel. Avoid exposing it to extreme conditions that may compromise its integrity.
- **Color Caution:** The black Cerakote finish enhances durability but can scratch. Handle the magazine with care to maintain its appearance.
- **Capacity Awareness:** The magazine holds 10 rounds. Do not exceed the specified capacity to ensure safe operation.
- **Cartridge Compatibility:** Use only 6mm BR (Benchrest) Remington cartridges with this magazine.
- **Action Type:** This magazine is designed for standard action types. Ensure compatibility with your firearm's action mechanism.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine in until it clicks securely into place.

### 2. Loading the Magazine:

- Hold the magazine firmly in one hand.
- Insert the cartridges into the magazine, ensuring they are properly aligned.
- Do not force cartridges into the magazine; if resistance is felt, check for obstructions.

### 3. Using the Magazine:

- Ensure the firearm is pointed in a safe direction at all times.
- Follow the manufacturer's instructions for operating your firearm.
- After firing, ensure the magazine is removed safely and the firearm is unloaded.

### 4. Unloading the Magazine:

- Press the magazine release button on your firearm.
- Remove the magazine and carefully unload any remaining cartridges.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding metal recycling.
- If the magazine is damaged or no longer usable, ensure that it is disposed of in a manner that prevents unauthorized use.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product issues, please contact the manufacturer or your local dealer. Ensure you have the product details at hand for efficient assistance.

Thank you for prioritizing safety while using the MDT Metal Magazine. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
