# TRIEBEL Seaterhead Caliber 7.62/.300 Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead for your reloading needs. This product is designed to provide precision and reliability in your reloading process. To ensure safe and effective use, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using the TRIEBEL Seaterhead.
- Always handle all reloading components and equipment with care to prevent accidents.
- Store all reloading supplies, including this product, out of reach of children and unauthorized users.
- Regularly inspect your equipment for wear or damage before each use.
- Follow all local laws and regulations regarding the use of reloading equipment and components.

## Specific Safety Precautions for Use

- Use only the recommended caliber (7.62/.300) with this Seaterhead to avoid malfunctions or accidents.
- Always wear appropriate safety gear, including safety glasses, when operating reloading equipment.
- Do not exceed the recommended load limits for your reloading setup.
- Keep your work area clean and organized to minimize the risk of accidents.
- Never leave the reloading process unattended. Always be present when the equipment is in operation.
- If you notice any unusual noise or operation, stop using the equipment immediately and inspect it for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Carefully remove the TRIEBEL Seaterhead from its packaging.
- Install the Seaterhead onto your reloading press according to the manufacturer's instructions.
- Ensure that the Seaterhead is properly aligned and tightened to prevent movement during operation.

### 2. Usage:

- Set the desired seating depth according to your reloading specifications.
- Place a cartridge case in the reloading press and ensure it is properly positioned.
- Insert the bullet into the cartridge case.
- Pull the handle of the reloading press to seat the bullet to the desired depth.
- Inspect the finished cartridge for proper seating and overall quality.
- Repeat the process for additional cartridges, ensuring that you maintain safety protocols throughout.

## Disposal Instructions

- Dispose of any damaged or wornout components of the TRIEBEL Seaterhead in accordance with local regulations.
- Do not dispose of reloading materials or components in regular household waste. Check for local

recycling options or hazardous waste disposal sites.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's contact information provided in the product manual. Additionally, you can report unsafe products or accidents to the relevant authorities in your area.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL Seaterhead. Always prioritize safety and compliance with local regulations to maintain a secure environment while reloading. Thank you for choosing TRIEBEL, and happy reloading!
