# TRIEBEL SEATERHEADS Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 8,21/.323 Type: KS. This accessory is designed for use with Seater with Crimp and BenchRestSeaters from Triebel. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the TRIEBEL Seaterhead by following all instructions provided in this guide.
- Be aware of potential hazards associated with the product, including but not limited to:
  - Improper installation or usage can lead to accidents or injuries.
  - Use only with compatible equipment to prevent malfunction.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates or recalls related to this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the TRIEBEL Seaterhead, ensure that:
  - You have read and understood all instructions.
  - You are wearing appropriate safety gear, such as eye protection.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Do not modify the TRIEBEL Seaterhead in any way, as this may compromise safety.
- Always inspect the product before use for any signs of damage or wear.
- If you experience any issues or malfunctions, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the work area is clean and free of distractions.
- Carefully unpack the TRIEBEL Seaterhead and check for any visible damage.
- Follow the manufacturer's manual for specific installation instructions related to your Seater with Crimp or BenchRestSeater.
- Securely attach the Seaterhead to the equipment, ensuring it is properly aligned and tightened.

### 2. Usage

- Once installed, verify that the Seaterhead is functioning correctly before proceeding with your tasks.
- Use the product only as intended and according to the specifications provided in the manual.
- Maintain a safe distance from the working area when the Seaterhead is in use.
- After use, clean the Seaterhead according to the maintenance guidelines provided in the manual.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling regulations.
- If the TRIEBEL Seaterhead reaches the end of its life cycle, dispose of it in accordance with local waste management guidelines.
- Do not dispose of the product in household waste; check for designated disposal or recycling facilities for technical equipment.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the contact information provided in the product manual or on the official website of TRIEBEL. Always ensure that you have the latest information regarding recalls or safety updates.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Thank you for your attention to safety.
