TRIEBEL Seaterhead Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 8,17/.322 Type: RK R15. This accessory is designed for use with Seater with Crimp and BenchRestSeaters from Triebel. It is important to read and follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the TRIEBEL Seaterhead by following all guidelines outlined in this manual.
- Be aware of potential hazards associated with the product, including but not limited to:
 - Improper handling or installation may lead to malfunction or injury.
 - Use only with compatible equipment as specified in the manual.
- Always supervise the use of this product, especially around children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the Seaterhead.
- Ensure that the work area is clean and free from distractions.
- Do not exceed the recommended specifications for the Seaterhead.
- Regularly inspect the Seaterhead for any signs of wear or damage before use.
- Follow all manufacturer instructions for installation and operation.
- Never use the Seaterhead for purposes other than those specified in this manual.

Instructions for Installation and Usage

1. Installation:

- Ensure that the work area is clean and organized.
- Check that the Seaterhead is compatible with your Seater and equipment.
- Attach the Seaterhead securely to the Seater, following the manufacturer's instructions.
- Verify that all connections are tight and secure before use.

2. Usage:

- Follow the specific instructions provided in the manual for operating the Seaterhead.
- Do not force the Seaterhead beyond its designed capabilities.
- Monitor the Seaterhead during use for any unusual sounds or behavior.
- If any issues arise, stop using the product immediately and consult the manual.

Disposal Instructions

- Dispose of the TRIEBEL Seaterhead in accordance with local regulations for electronic and mechanical waste.
- Do not throw the product in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's contact

information provided in the product packaging or manual. Ensure you have the product details ready for a more efficient support experience.

By adhering to these safety instructions, you help ensure a safe and effective experience with your TRIEBEL Seaterhead. Thank you for your attention to these important guidelines.
