TRIEBEL Seaterhead Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 8,17/.322 Type: RK R16. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this manual thoroughly before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of the reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the product.
- Be aware of your surroundings and ensure that the area is clear of obstructions and hazards during use.

Specific Safety Precautions for Use

- Use the TRIEBEL Seaterhead only with compatible Seater and BenchRestSeaters from Triebel.
- Do not exceed the specified caliber and diameter (0.322 in) to avoid malfunction or accidents.
- Follow all manufacturer instructions for crimping and seating to prevent injury.
- Do not attempt to modify or alter the product in any way.
- If you experience any difficulties during use, stop immediately and consult the manual or contact support.

Instructions for Installation and Usage

1. Installation

- Ensure that your work area is clean and organized.
- Carefully unpack the TRIEBEL Seaterhead and inspect for any visible damage.
- Attach the Seaterhead to the compatible Seater according to the manufacturer's instructions.
- Ensure that all connections are secure before proceeding.

2. Usage

- Refer to the manual for specific instructions on crimping and seating.
- Always use the product in a wellventilated area to avoid inhalation of any dust or fumes.
- Monitor the product during use for any unusual sounds or movements.
- After use, clean the Seaterhead according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's contact information provided with the product. You can also check for updates on safety recalls on the EU Safety Gate platform.

By following these safety instructions, you can help ensure a safe and effective experience with your TRIEBEL

Seaterhead. Thank you for your attention to these important guidelines.
