# TRIEBEL Seaterheads Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 8,5/.338 Type: R100 SO. This accessory is designed for use with crimp and benchrest seaters from Triebel. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that you understand the purpose and operation of the TRIEBEL Seaterhead before use.
- Always read the manual that accompanies the product for specific instructions and safety information.
- Use the product only for its intended purpose as specified by the manufacturer.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the Seaterhead for any signs of wear or damage before each use.
- In case of any malfunction or damage, cease use immediately and consult a qualified technician.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the Seaterhead.
- Ensure that the work area is clean and free from distractions to maintain focus while using the product.
- Do not exceed the recommended specifications for the Seaterhead, including caliber and usage limits.
- Be cautious when handling and storing ammunition and components to prevent accidental discharge.
- Avoid using the product in wet or humid conditions, as this may affect its performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the work surface is stable and secure.
- Attach the TRIEBEL Seaterhead to the compatible seater according to the manufacturer's instructions.
- Verify that the Seaterhead is securely fastened and properly aligned before use.

### 2. Usage:

- Prepare your ammunition components and ensure they are compatible with the Seaterhead.
- Follow the specific loading instructions provided in the manual for optimal performance.
- Operate the seater in a controlled manner, applying consistent pressure without forcing the mechanism.
- After use, clean the Seaterhead and surrounding area to maintain functionality and safety.

## Disposal Instructions

- Dispose of the TRIEBEL Seaterhead in accordance with local regulations and guidelines for electronic or mechanical waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling the materials where possible.

## Contact Information for Further Support

For any inquiries or concerns regarding the TRIEBEL Seaterhead, please refer to the manual for contact information. Ensure you have the product details ready for a more efficient response.

## **Conclusion**

Your safety is our priority. By following these guidelines, you will ensure not only your safety but also the effective use of the TRIEBEL Seaterhead. Always stay informed about any updates or recalls related to the product through the EU's Safety Gate platform. Thank you for your attention to safety and for choosing TRIEBEL.
