# Safety Instruction Guide for TRIEBEL Seaterhead Caliber 8.5/.339 Type: R200

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 8.5/.339 Type: R200. This product is designed to enhance the performance of your reloading setup. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle the TRIEBEL Seaterhead with care, as improper use may lead to accidents or injuries.
- Ensure that your workspace is clean, organized, and free from distractions while using the product.
- Keep this product out of the reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in the manual.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The TRIEBEL Seaterhead may present risks such as cuts from sharp edges or pinching during assembly or disassembly.
- Improper installation may lead to misfires or ammunition failure.

- **Avoiding Hazards:**

- Always wear safety goggles to protect your eyes from debris or accidental discharge.
- Use gloves when handling the Seaterhead to prevent cuts and ensure a secure grip.
- Do not attempt to modify the product in any way, as this may compromise safety and effectiveness.
- Ensure that all components are properly secured before use to prevent accidental disassembly.

- **Age Specific Warning:**

- This product is not intended for use by individuals under the age of 18. Ensure that only qualified adults handle and operate the Seaterhead.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have all necessary components and tools available.
- Follow the manufacturer's instructions in the manual for proper assembly.
- Secure the Seaterhead firmly to your reloading setup to prevent movement during operation.

### 2. Usage:

- Always doublecheck that the Seaterhead is properly installed before beginning any reloading process.
- Follow the recommended settings and guidelines detailed in the manual for optimal performance.
- Monitor the reloading process closely and stop immediately if you notice any irregularities.

### **3. Maintenance:**

- Regularly clean the Seaterhead according to the manufacturer's recommendations to maintain optimal performance.
- Store the product in a dry, cool place when not in use to prevent rust and damage.

## **Disposal Instructions**

- Dispose of the TRIEBEL Seaterhead responsibly according to local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential hazards to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's website or contact your local distributor for assistance. Always ensure that you have the most up-to-date information regarding safety recalls and product updates by checking the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your TRIEBEL Seaterhead!
