# TRIEBEL SEATERHEADS Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 9,5/.375 Type: R51. This product is designed as an accessory for Seater with Crimp and BenchRestSeaters from Triebel. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information regarding safety guidelines, installation, usage, and disposal.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the manual.
- Always handle the product with care to avoid injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Seaterhead.
- Do not use the product if it appears to be damaged or malfunctioning.
- Ensure that the Seaterhead is securely attached to the Seater before use.
- Do not exceed the recommended specifications for the Seaterhead to avoid accidents.
- Follow all safety instructions provided in the manual for the Seater and any related equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the work area is clean and free from any hazards.
- Carefully remove the TRIEBEL Seaterhead from its packaging.
- Align the Seaterhead with the Seater, ensuring it fits securely.
- Tighten any screws or fasteners to ensure a stable connection.
- Doublecheck that the Seaterhead is properly installed before proceeding.

### 2. Usage:

- Before starting, ensure that you have read the manual for the Seater and understand its operation.
- Load the appropriate caliber and type of ammunition as specified in the manual.
- Operate the Seater according to the instructions, keeping hands and body parts clear of moving parts.
- Monitor the Seaterhead during use for any unusual sounds or movements.
- If any issues arise, stop using the product immediately and inspect it for problems.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the Seaterhead in general waste if it contains hazardous materials.
- Consider recycling options for the product if applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact details provided in the product packaging or manual.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seaterhead. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your attention to these important guidelines.
