TRIEBEL Seaterhead Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 10,52/.415 Type: HS. This manual provides essential safety instructions to ensure the safe use of the product. Please read and understand these guidelines before using the Seaterhead.

General Safety Guidelines

- Always follow the manufacturer's instructions to ensure safe use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the specified diameter of 0.415 inches when using the Seaterhead.
- Ensure that the Seaterhead is securely attached to the seater before use.
- Use appropriate protective gear, such as safety glasses and gloves, when operating the equipment.
- Avoid using the Seaterhead in wet or damp conditions to prevent electrical hazards.
- Be cautious of sharp edges when handling the Seaterhead to avoid cuts and injuries.
- If you experience any malfunction or unusual behavior from the product, stop using it immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Before installation, ensure that the workspace is clean and free from obstructions.
- Attach the Seaterhead to the seater securely, following the manufacturer's instructions.
- Confirm that all connections are tight and that there are no loose parts.

2. Usage:

- Set up the benchrest or crimping equipment as per the guidelines provided in the manual.
- Position the Seaterhead carefully and ensure it is aligned correctly with the intended target.
- Operate the equipment smoothly and avoid sudden movements to maintain control.
- After use, turn off and disconnect the equipment to prevent accidental activation.

Disposal Instructions

- Dispose of the TRIEBEL Seaterhead in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the EU-based contact point provided with your product documentation. Ensure you have your product details at hand when seeking assistance.

By following these guidelines, you can ensure the safe and effective use of the TRIEBEL Seaterhead. Thank you

for prioritizing safety!
