# Safety Instruction Guide for TRIEBEL Seaterhead Caliber 10,57/.416 Type: KS

## Introduction

Thank you for choosing the TRIEBEL Seaterhead. This product is designed to enhance your reloading experience by providing precision and reliability. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the manual.
- Always follow the safety procedures outlined in this guide to minimize risks.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Seaterhead for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Use the Seaterhead only with compatible crimp and benchrest seaters from Triebel.
- Avoid using excessive force during operation, as this may lead to product failure or injury.
- Do not modify or alter the Seaterhead in any way, as this may compromise its safety and functionality.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of explosion or injury from improper handling.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your workspace is clean and organized.
- Check that the Seaterhead is compatible with your reloading equipment.
- Securely attach the Seaterhead to the reloading press according to the manufacturer's instructions.
- Verify that all connections are tight and that there are no loose parts.

### 2. Usage:

- Before starting, ensure that you have all necessary materials and tools at hand.
- Follow the reloading procedure as outlined in the manual for your specific reloading press.
- Monitor the Seaterhead during use for any unusual sounds or movements that may indicate a problem.
- If you notice any issues, stop using the product immediately and inspect it for damage.

## Disposal Instructions

- Dispose of the Seaterhead in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, take it to a designated recycling facility.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's manual or contact the appropriate support service.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience with the TRIEBEL Seaterhead!
