# Safety Instruction Guide for TRIEBEL Seaterhead Caliber 10,57/.416 Type: R30

## Introduction

Thank you for choosing the TRIEBEL Seaterhead. This product is designed to enhance your reloading experience with safety and efficiency in mind. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all safety instructions are followed to reduce the risk of accidents or injuries.
- Always inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this manual.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Regularly check for updates on product safety recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the seaterhead.
- Avoid wearing loose clothing or jewelry that may get caught in the equipment.
- Ensure that your workspace is clean and free of clutter to prevent accidents.
- Keep your hands and other body parts away from moving parts during operation.
- Do not exceed the recommended specifications for the seaterhead, including the caliber size and diameter.
- Be aware of the potential hazards associated with reloading ammunition and follow best practices for safety.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the TRIEBEL Seaterhead and inspect for any visible damage.
- Ensure that the seaterhead is compatible with your specific reloading press.
- Follow the manufacturer's instructions to securely attach the seaterhead to your reloading press.
- Check that all components are tightly secured before proceeding.

### 2. Usage:

- Set your reloading press according to the manufacturer's specifications.
- Insert the appropriate caliber case into the reloading press.
- Adjust the seaterhead to the desired depth for crimping and seating.
- Operate the reloading press slowly and steadily, ensuring that your hands are clear of moving parts.
- After use, clean the seaterhead to maintain its performance and longevity.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the seaterhead is no longer usable, contact your local waste management facility for proper disposal methods.

- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the TRIEBEL Seaterhead, please reach out to the designated EU contact point for product safety inquiries.

Thank you for prioritizing safety while using the TRIEBEL Seaterhead. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
