Safety Instruction Guide for TRIEBEL Seaterhead Caliber 12,95/.500

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 12,95/.500. This product is designed for use with crimp and benchrest seaters from Triebel. To ensure safe operation and compliance with EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the manual.
- Always use the product in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- Do not exceed the recommended specifications for the product.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Ensure that all components are securely attached and functioning properly before use.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- If you experience any unusual noises or malfunctions while using the product, stop immediately and inspect it for issues.

Instructions for Installation and Usage

1. Installation

- Ensure you have all necessary components before beginning installation.
- Follow the specific installation instructions provided in the product manual.
- Securely attach the seaterhead to the appropriate equipment as per the manufacturer's guidelines.
- Doublecheck all connections and fittings to ensure stability.

2. Usage

- Load the product according to the specifications outlined in the manual.
- Adjust settings as needed based on the type of ammunition being used.
- Perform a test run to ensure everything is functioning correctly before commencing with full usage.
- Monitor the product during operation for any signs of malfunction or wear.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please consult the manual for further information. You can also reach out to the manufacturer or authorized dealers for assistance.

By following these safety instructions, you can ensure a safer experience while using the TRIEBEL Seaterhead Caliber 12,95/.500. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important guidelines.
