Safety Instruction Guide for CALDWELL Orange Peel Bullseye Target

Introduction

Thank you for choosing the CALDWELL Orange Peel 12" Bullseye Target 5PK. This product is designed to enhance your shooting experience by providing clear visibility of hits on the target. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms and ammunition with care and responsibility.
- Ensure that you are in a safe shooting environment, away from people and property.
- Use targets only in designated shooting areas.
- Always wear appropriate safety gear, including eye and ear protection.
- Keep this product out of reach of children and unauthorized users.
- Regularly check the target for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the target is securely attached to a stable surface to prevent it from falling or being dislodged during use.
- Avoid using the target in extreme weather conditions that could affect its adhesive properties.
- Do not use the target if the adhesive backing is damaged or compromised.
- Always stand at a safe distance from the target when shooting.
- Be aware of your surroundings and ensure that no one is in the line of fire.

Instructions for Installation and Usage

1. Preparation:

- Choose a clean, dry surface for target installation.
- Ensure the surface is free from dust, grease, or moisture.

2. Installation:

- Peel the adhesive backing off the target.
- Carefully position the target on the chosen surface.
- Press firmly to ensure a secure bond.

3. Usage:

- Use appropriate firearms and ammunition as recommended by local regulations.
- Aim for the bullseye to take advantage of the target's visibility features.
- After shooting, inspect the target for damage and replace if necessary.

Disposal Instructions

- Dispose of used targets in accordance with local waste disposal regulations.
- Do not incinerate or expose the targets to open flames.
- Ensure that any remnants of the adhesive backing are disposed of properly.
