# TIPTON Nope Rope Pull Through Bore Cleaning Rope Safety Instructions

## Introduction

Thank you for choosing the TIPTON Nope Rope Pull Through Bore Cleaning Rope. This product is designed to help you clean your firearm's barrel quickly and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all cleaning activities are performed in a safe environment, away from children and unauthorized individuals.
- Always treat firearms as if they are loaded. Ensure the firearm is unloaded before cleaning.
- Store the TIPTON Nope Rope in a secure location, out of reach of children.
- Regularly inspect the cleaning rope for wear or damage before use. Do not use if any part is damaged.
- Follow the manufacturer's instructions for proper use and maintenance of the product.

## Specific Safety Precautions for Use

- Use the cleaning rope only for its intended purpose of cleaning bore barrels.
- Avoid using excessive force while pulling the rope through the barrel to prevent damage to the firearm.
- Do not use the cleaning rope in a manner that is inconsistent with the firearm manufacturer's guidelines.
- If you experience any difficulty during use, stop and consult the instructions or seek assistance.
- Keep the cleaning area wellventilated to avoid inhaling any cleaning substances or debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the TIPTON Nope Rope.

### 2. Using the TIPTON Nope Rope:

- Attach the appropriate end of the Nope Rope to the cleaning rod or directly to the firearm as per the instructions.
- Slowly feed the Nope Rope into the barrel from the chamber end, ensuring the bronze bristles are positioned correctly.
- Pull the rope through the barrel gently and steadily until it exits the muzzle.
- Repeat the process as necessary for thorough cleaning.

### 3. PostCleaning:

- After cleaning, inspect the barrel to ensure it is free from debris.
- Store the TIPTON Nope Rope in its compact storage case to protect it from damage and contamination.

## Disposal Instructions

- Dispose of the TIPTON Nope Rope responsibly. If the product is damaged or no longer usable, please follow local regulations for the disposal of cleaning materials.
- Do not dispose of the product in a manner that may harm the environment.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective cleaning experience with the TIPTON Nope Rope Pull Through Bore Cleaning Rope.
