# TIPTON Nope Rope Pull Through Bore Cleaning Rope Safety Instructions

## Introduction

Thank you for choosing the TIPTON Nope Rope Pull Through Bore Cleaning Rope. This product is designed to help you clean your firearm barrel quickly and effectively. To ensure safe and proper use of the Nope Rope, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product as intended and follow the instructions provided.
- Keep the cleaning rope out of reach of children and pets.
- Inspect the product before each use for any signs of wear or damage.
- Do not use the cleaning rope if it is damaged or frayed.
- Store the product in a cool, dry place to prevent deterioration.
- Be aware of your surroundings when using the cleaning rope, ensuring that no one is in the line of fire.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before cleaning.
- Use the Nope Rope only with firearms that match the specified caliber (6mm).
- Avoid pulling the rope too forcefully, as this may damage the bore or the rope itself.
- Do not use the product for purposes other than cleaning the bore of firearms.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and equipment.

### 2. Attaching the Nope Rope

- Locate the attachable end of the Nope Rope.
- Insert the attachable end into the bore of the firearm.
- Ensure that the rope is securely positioned before proceeding.

### 3. Cleaning Process

- Gently pull the Nope Rope through the bore, allowing the bronze bristles to clean the interior.
- Repeat the process as necessary, depending on the level of fouling in the barrel.
- After cleaning, inspect the bore to ensure it is free of debris.

### 4. Storage

- After use, clean the Nope Rope if necessary.
- Store the Nope Rope in its compact storage case to protect it from damage.

## Disposal Instructions

- Dispose of the Nope Rope in accordance with local regulations.
- Do not incinerate the product.
- If the product is damaged beyond use, ensure it is disposed of safely to prevent any risk of injury or environmental harm.

## Contact Information for Further Support

For any questions or concerns regarding the TIPTON Nope Rope Pull Through Bore Cleaning Rope, please contact the manufacturer or your local distributor. Always refer to the product packaging for specific contact details and support options.

## Conclusion

By following these safety instructions, you can ensure the safe and effective use of the TIPTON Nope Rope Pull Through Bore Cleaning Rope. Thank you for prioritizing safety and proper maintenance of your firearm.
