# TIPTON Nope Rope Pull Through Bore Cleaning Rope Safety Instructions

## Introduction

Thank you for choosing the TIPTON Nope Rope Pull Through Bore Cleaning Rope. This product is designed to provide an effective and efficient way to clean your firearm's barrel. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the cleaning rope in accordance with the manufacturer's instructions.
- Keep the cleaning rope out of reach of children and vulnerable individuals.
- Inspect the cleaning rope before each use for any signs of damage or wear.
- Do not use the cleaning rope if it is damaged.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the cleaning rope.
- Do not use the cleaning rope in conjunction with any flammable or hazardous materials.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall information via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the caliber of the cleaning rope (6.5mm) matches the firearm you are cleaning.
- Use the cleaning rope only for its intended purpose—cleaning the bore of firearms.
- Avoid excessive force when pulling the cleaning rope through the barrel to prevent damage.
- Do not leave the cleaning rope unattended while in use.
- Store the cleaning rope in its compact storage case when not in use to protect it from damage and to keep it out of reach of children.
- If using the cleaning rope outdoors, ensure that the area is clear of people and animals.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including the TIPTON Nope Rope.

### 2. Using the Cleaning Rope:

- Attach the appropriate end of the Nope Rope to the cleaning rod if necessary.
- Insert the Nope Rope into the bore of the firearm from the chamber end.
- Gently pull the Nope Rope through the bore, allowing the bronze bristles to clean the interior.
- Repeat this process as necessary until the bore is clean.
- After cleaning, remove the Nope Rope and inspect it for any debris or residue.

### 3. PostUsage:

- Clean the Nope Rope after each use to maintain its effectiveness.
- Store the cleaning rope in the provided compact storage case.

## **Disposal Instructions**

- Dispose of any damaged or worn cleaning ropes responsibly.
- Follow local regulations for the disposal of cleaning products and materials.
- Do not dispose of the cleaning rope in regular household waste if it is contaminated with hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the TIPTON Nope Rope Pull Through Bore Cleaning Rope, please refer to the contact details provided with the product packaging or visit the manufacturer's website for additional support.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your TIPTON Nope Rope Pull Through Bore Cleaning Rope. Thank you for prioritizing safety while maintaining your firearm.
