# TIPTON Nope Rope Pull Through Bore Cleaning Rope Safety Instructions

## Introduction

Thank you for choosing the TIPTON Nope Rope Pull Through Bore Cleaning Rope. This product is designed to provide a quick and effective solution for cleaning your firearm's barrel. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded before cleaning.
- Use the TIPTON Nope Rope only for its intended purpose: cleaning the bore of firearms.
- Keep the cleaning rope and all cleaning supplies out of reach of children and pets.
- Inspect the cleaning rope for any damage before each use. Do not use if damaged.
- Store the cleaning rope in a cool, dry place, away from direct sunlight and heat sources.
- Follow local regulations regarding the cleaning and maintenance of firearms.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction while cleaning.
- Avoid using excessive force when pulling the rope through the bore to prevent damage.
- Do not use the cleaning rope on firearms that are not compatible with a 7mm bore.
- If you experience any discomfort or irritation while using the cleaning rope, stop immediately and consult a professional.
- Use protective eyewear if necessary to prevent any debris from entering your eyes during the cleaning process.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded and in a safe position.
- Gather all necessary cleaning supplies, including the TIPTON Nope Rope.

### 2. Attaching the Nope Rope

- Identify the bore size of your firearm. The TIPTON Nope Rope is designed for 7mm barrels.
- Attach the appropriate end of the Nope Rope to the cleaning rod or pull handle.

### 3. Cleaning Process

- Insert the attached end of the Nope Rope into the barrel from the chamber end.
- Gently pull the rope through the barrel. Avoid using excessive force.
- Repeat the process as necessary, depending on the level of fouling in the barrel.

### 4. Storage

- After use, clean the Nope Rope if necessary and store it in the provided compact storage case.
- Ensure the case is closed properly to protect the cleaning rope.

## Disposal Instructions

- Dispose of any worn or damaged cleaning ropes in accordance with local regulations.
- Do not dispose of cleaning ropes in regular household waste if they are made of materials that require special disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or use of the TIPTON Nope Rope, please refer to the manufacturer's contact information provided on the packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your TIPTON Nope Rope Pull Through Bore Cleaning Rope. Thank you for prioritizing safety.
