# TIPTON Nope Rope Pull Through Bore Cleaning Rope Safety Instructions

## Introduction

Thank you for choosing the TIPTON Nope Rope Pull Through Bore Cleaning Rope. This product is designed to provide an efficient and effective cleaning solution for your firearm barrel. To ensure your safety and the longevity of your product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the cleaning rope out of reach of children and pets to prevent accidents.
- Inspect the cleaning rope before each use. Do not use if damaged.
- Store the cleaning rope in a cool, dry place, away from direct sunlight and moisture.
- Be aware of your surroundings when using the product to avoid any accidents.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the cleaning rope.
- Always point the firearm in a safe direction during the cleaning process.
- Avoid using excessive force when pulling the cleaning rope through the barrel.
- Do not use the cleaning rope with solvents or cleaning agents that are not compatible with your firearm.
- If you experience any difficulty during use, stop immediately and consult the product instructions or a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the TIPTON Nope Rope.

### 2. Attaching the Rope:

- Attach the end of the Nope Rope to the cleaning rod or directly to the firearm's bore, ensuring a secure fit.

### 3. Cleaning Process:

- Gently pull the Nope Rope through the barrel from the breech to the muzzle.
- Repeat this process as necessary, using the bronze bristles for enhanced cleaning power.

### 4. PostCleaning:

- After cleaning, inspect the barrel for any remaining debris.
- Store the cleaning rope in its compact storage case for future use.

## Disposal Instructions

- Dispose of the cleaning rope in accordance with local regulations.
- Do not dispose of the cleaning rope in regular household waste if it is contaminated with cleaning solvents or chemicals.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the TIPTON Nope Rope Pull Through Bore Cleaning Rope, please refer to the manufacturer's website or customer service for support.

Thank you for choosing TIPTON. Your safety and satisfaction are our top priorities.
