TIPTON NOPE ROPE PULL THROUGH BORE CLEANING ROPE USER MANUAL

Introduction

Congratulations on your purchase of the TIPTON Nope Rope Pull Through Bore Cleaning Rope. This product is designed to provide an efficient and effective solution for cleaning your firearm's barrel. Please read this safety instruction guide carefully to ensure safe usage and maintenance of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the TIPTON Nope Rope.
- Ensure the firearm is unloaded before cleaning.
- Use the cleaning rope only for its intended purpose: cleaning the bore of firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the cleaning rope for wear and damage before each use.
- If you notice any defects, do not use the product and contact customer support.

Specific Safety Precautions for Use

- Before use, ensure that the cleaning area is wellventilated and free from obstructions.
- Do not use the cleaning rope with excessive force, as this may damage the bore or the rope itself.
- Avoid pulling the rope through the barrel too quickly to prevent jamming.
- Always wear appropriate eye protection when cleaning firearms.
- Dispose of any worn or damaged cleaning ropes responsibly.

Instructions for Installation and Usage

1. Preparation:

- Make sure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the TIPTON Nope Rope and a cleaning solvent if desired.

2. Using the Nope Rope:

- Attach the appropriate end of the Nope Rope to the bore of your firearm.
- Slowly and gently pull the rope through the barrel from the chamber to the muzzle.
- If the rope becomes stuck, do not force it. Gently pull back and reinsert if necessary.
- Repeat the process until the barrel is clean. The bronze bristles will help remove fouling.

3. Storage:

- After use, clean the Nope Rope according to the manufacturer's instructions.
- Store the rope in the provided compact storage case to protect it from damage.

Disposal Instructions

- Dispose of the TIPTON Nope Rope in accordance with local regulations.
- If the rope is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please reach out to the designated EU contact point for assistance.

By following these guidelines, you can ensure a safe and effective cleaning experience with your TIPTON Nope Rope Pull Through Bore Cleaning Rope. Thank you for choosing our product, and happy cleaning!
