# TIPTON Nope Rope Pull Through Bore Cleaning Rope Safety Instructions

## Introduction

Thank you for choosing the TIPTON Nope Rope Pull Through Bore Cleaning Rope. This product is designed to provide efficient and effective cleaning for your firearm's barrel. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this document.

## General Safety Guidelines

- Always handle firearms in a safe and responsible manner.
- Ensure that the firearm is unloaded before using the cleaning rope.
- Keep the cleaning rope and all cleaning supplies out of reach of children.
- Regularly inspect the cleaning rope for wear and damage before each use.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Use the cleaning rope only for its intended purpose of cleaning firearm barrels.
- Do not use the cleaning rope in a manner that could cause injury to yourself or others.
- Avoid using excessive force when pulling the rope through the barrel to prevent damage.
- If the rope becomes stuck in the barrel, do not tug or pull forcefully. Seek assistance if needed.
- Be aware of the cleaning solution or lubricant you are using, as some may be hazardous. Always follow the manufacturer's instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the TIPTON Nope Rope and any cleaning solutions.

### 2. Attaching the Rope:

- Attach the end of the Nope Rope to the cleaning rod or use the builtin attachment feature.
- Ensure a secure connection to prevent detachment during use.

### 3. Using the Rope:

- Insert the Nope Rope into the chamber of the firearm.
- Pull the rope through the barrel slowly and steadily.
- Repeat the process as necessary to achieve the desired level of cleanliness.

### 4. Storage:

- After use, clean the Nope Rope if necessary and store it in the reusable compact storage case provided.
- Keep the storage case closed and in a dry place.

## **Disposal Instructions**

- Dispose of the cleaning rope in accordance with local regulations regarding textile waste.
- Do not dispose of cleaning solutions or lubricants down the drain or in regular trash unless specified by the manufacturer.

## **Contact Information for Further Support**

For any questions or concerns regarding the TIPTON Nope Rope Pull Through Bore Cleaning Rope, please reach out to your local retailer or manufacturer. Ensure you have the product details on hand for effective assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience with the TIPTON Nope Rope Pull Through Bore Cleaning Rope. Always prioritize safety and responsible firearm maintenance. Thank you for your attention to these guidelines.
